## Introduction

Branding Pioneers has been in partnership with AIIMS Geriatric since 2022, focusing on enhancing the department's online presence and interaction with its audience. Our strategic videography and targeted social media marketing initiatives are designed to effectively communicate the nuances of geriatric medicine and reach both elderly patients and their caregivers with essential health information.

## Client Background

AIIMS Geriatric is spearheaded by Dr. Prassunn Chatterjee and stands as a beacon in geriatric medicine, providing exceptional care and pioneering research dedicated to improving the quality of life for the elderly. The department is renowned for its comprehensive approach, integrating state-of-the-art medical interventions with compassionate, personalized patient care. Their focus on education and community involvement makes them a leader in the field, addressing both physical and mental health aspects of aging.

## Challenges

**Outreach**

**Engagement**

**Education**

AIIMS Geriatric faced challenges in reaching a broader audience, engaging effectively with elderly patients and their families, and educating the public about geriatric issues.

## Solutions

**Video Content**

**Social Strategy**

**Targeting**

We produced tailored video content that resonates with older audiences, implemented a targeted social media strategy, and enhanced patient education through these platforms.

## Testimonial

Working with Branding Pioneers has significantly transformed how we connect with our patients and the broader community. Their expertise in videography and social media has made a crucial difference.

Dr. Prassunn Chatterjee

## Future Outlook

As we continue our journey with Rainbow Hospital and Rosewalk, our focus will be on advancing their digital strategies with the latest marketing technologies and trends. Our goal is to ensure they remain leaders in mother and child healthcare by constantly evolving and adapting to the new digital era.
