Introduction

Since 2020, Branding Ninjas has collaborated with Estique Clinic, spearheaded by Dr. Neha Sharma, to enhance their digital outreach and marketing efforts. Our comprehensive services including website optimization, performance marketing, SEO, social media, and content marketing, have significantly boosted their online visibility and engagement in the competitive aesthetics industry.

Client Background

Estique Clinic, led by the renowned Dr. Neha Sharma, specializes in advanced aesthetic and dermatological treatments. Located in Gurgaon, the clinic is dedicated to offering cutting-edge solutions for skin and hair care, focusing on personalized treatments that integrate the latest technologies and clinical research to deliver optimal results and patient satisfaction.

Challenges

**Digital
Presence**

**Customer
Acquisition**

**Market
Positioning**

Estique Clinic needed to enhance their digital presence, improve customer acquisition strategies, and solidify their market positioning to stand out in the bustling aesthetics market.

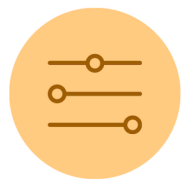

Solutions

**Enhanced
Website**

**Targeted
Campaigns**

**SEO &
Content**

We redesigned their website to improve user experience, implemented targeted performance marketing campaigns to attract new clients, and bolstered their SEO and content marketing efforts to increase organic reach and engagement.

Testimonial

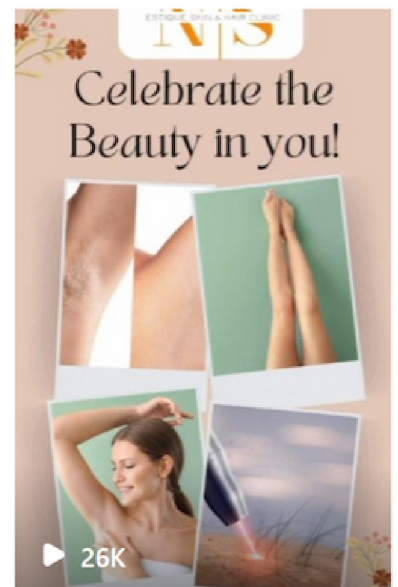

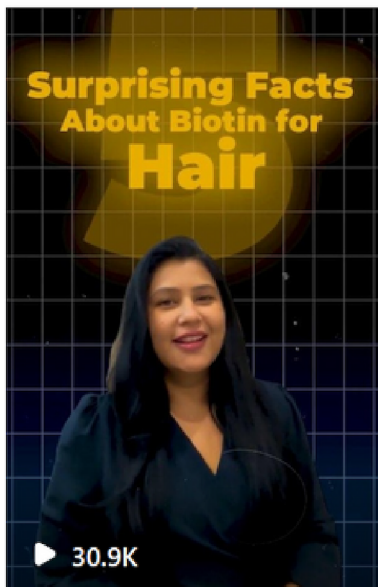

Branding Pioneers has been a cornerstone in our journey towards becoming a leader in the aesthetics market. Their strategic approach to digital marketing has not only increased our visibility but also our patient base substantially.
