Introduction

In 2024, Narang Biotech partnered with Branding Pioneers to develop a cutting-edge website for their Medlama pharmacy platform. Our collaboration aimed to enhance their digital presence and deliver a seamless user experience, leveraging our expertise in web development to align with their strategic goals in the healthcare sector.

Client Background

Narang Biotech, led by Anuj Narang, is a renowned healthcare pharmacy providing comprehensive medication and healthcare products through its Medlama platform. With a customer-focused approach and a commitment to innovation, they have built a reputation for delivering high-quality, reliable healthcare services.

Challenges

**Outdated
Website**

**User
Experience**

**Online
Engagement**

Narang Biotech needed to upgrade their Medlama website, streamline the user experience, and improve online engagement with customers.

Solutions

**Website
Redesign**

**UX
Optimization**

**Interactive
Features**

We redesigned the website to make it visually appealing and user-friendly, optimized the user experience for smooth navigation, and added interactive features to encourage engagement.

Major Impact

350%

Increase in online
pharmacy traffic

250%

Growth in user
engagement

4x

Improvement in
website conversion
rate

300%

Boost in returning
customer transactions

Testimonial

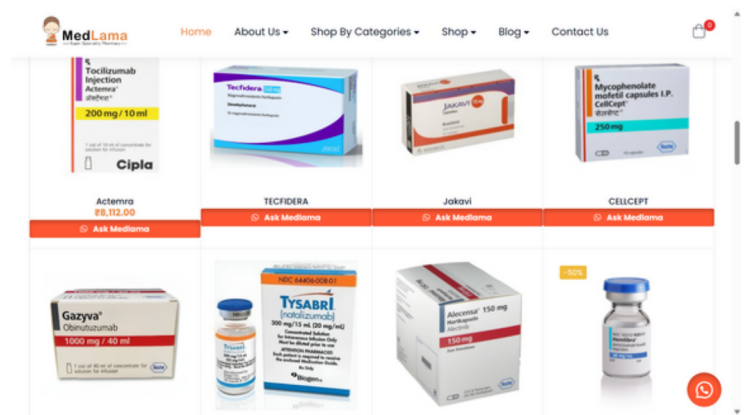

Branding Pioneers transformed our Medlama website into a highly effective platform. Their web development expertise streamlined our user experience, leading to remarkable growth in customer engagement and transactions.
